## Ray's Food Place

This is the season for great meals with family and for parties and get-togethers to celebrate with friends. Ray's Food Place is your one-stop resource for everything you need to make those holiday parties and dinners really special.

From Thanksgiving to company parties to holiday entertaining, Ray's can make your life so much easier — and fill your guests with holiday cheer!

Ray's has a magnificent selection of wines, including the sparkling and dessert wines that are so important to the convivial spirit of the season. The deli can put together all your party foods for you, including spectacular desserts (give the elves 24-hours notice; they'll appreciate it).

The floral department can create exquisite centerpieces or the perfect floral hostess gift. Turn to Ray's Food Place this holiday season and make your celebrations special.

## Three Sisters Lions Club Holiday Faire

A hand-made gift can be the most thoughtful kind of gift you can give. The Three Sisters Lions Club Holiday Faire makes it easy to find one-of-a-kind hand-crafted gifts of exceptional quality.

From wonderful holiday décor items that will put your home or business in the Christmas spirit — such as one-of-a-kind hand-turned wooden ornaments — to unique gifts that will be appreciated and handed down, you'll find a host of treasures at this annual event. There's metal sculpture, delightful old-fashioned wooden toys, breathtaking Western shadow boxes, barbecue

sauces and rubs — all kinds of unique gifts made by local artisans. And you'll want to get in on their special raffle baskets, each valued at over \$200 in goods and services.

And your gifts give in multiple ways. Of course they will delight the loved ones on your list. They'll also support the thriving arts economy in Sisters, while supporting the vital outreach of the Three Sisters Lions Club.

## BANR Enterprises

BANR Enterprises, LLC is weaving itself into the fabric of the Sisters community. BANR's owners are native Oregonians who have set down roots in Sisters, which will become their headquarters, giving folks in Sisters a local company that has statewide reach — and hometown values.

With over 25 years of experience in the construction industry, BANR is responsive. You WILL get a timely call back — and you will deal directly with the people who are working on your project. They're already staging equipment in Sisters in anticipation of establishing their headquarters here.

BANR responds promptly to inquiries and gets the job done right — and right on time. That's why they receive the majority of their work from repeat customers and referrals — clients who know they will receive exceptional service, reliability and product.

With BANR, it's all about community — the people doing the work and the people they're doing the work for.

## Sisters Ace Hardware

Sisters Ace Hardware is a woman-owned, family-operated hardware store that lives out the small-town values of family, community, and helping your neighbor.

This is the place to turn this holiday season when you realize you are short an extension cord or forgot to get the hangers for your Christmas lights. And Sisters Ace Hardware is always the place to turn when you need knowledgeable advice on how best to approach your next project, indoors or out, in any season.

Save yourself the trip to the big box store — Sisters Ace Hardware has what you need, or they can order it in a hurry.

And you can get your sno-park permits and Christmas tree tags right here.

Daly and her crew love serving the folks in Sisters and are very grateful to the Sisters community for its continued support — through the holidays and all year 'round!
