Let Blazin Saddles know if you need a bike.

Contact bike shop to receive a donated bike

The annual Blazin Saddles bike donation program has brought in dozens of bicycles ready to find a new home at Christmastime in Sisters.

The bikes are of all sizes and not just for kids. Part of the idea of the program is to bring family cycling within reach of everyone in Sisters.

Those interested in receiving a

bicycle and helmet can send an email to blazinsaddles@bendbroadband.com or call the shop at 541-719-1213.

“Just email us the gender and height, and we will send an email confirming if we have a bike for them and a bike number. They can come in and pick them up between December 20-24,” said Casey Meudt, owner and operator of Blazin Saddles.

Your Care

Your Care owners Eric Wattenburg, MD and his wife, Deb, are committed to providing accessible, quality medical care every day and after hours and weekends.

At Your Care, you will be taken care of by compassionate and highly qualified people who are there for you. Bottom line is — you matter.

Our team makes every effort to assure you receive the unique, thorough, and individualized care you need and deserve, facilitate referrals, and closely follow up with you and your primary care provider. A large majority of our patients are referred to us or are returning patients. Now that's trust!

Your Care offers a full scope of occupational medicine services for Central Oregon employers with a goal of minimizing down time and keeping employees at work.

A member of our community says: “In my opinion, it's what people need and want — the way I think it should be.”

Your Care is always expanding its service to care for the Sisters community.

Web Steel Buildings Northwest

Web Steel Buildings Northwest has been manufacturing steel-framed buildings for years, with many happy customers in the Pacific Northwest and beyond. Metal buildings readily accept a variety of exterior wall treatments: lap siding, T-111, stucco, stone, brick, and concrete block, along with metal siding. Achieving the look you want is easy with a building from WSBNW.

With our commitment to quality, we promise that when you purchase a building from us, you'll get a well-designed, precision-manufactured product — and the support of our entire team of metal-building professionals who guarantee your satisfaction. WSBNW offers buildings from 20 feet wide to 150-foot clearspan, and can be used for: Ag buildings; airplane hangars; garages & RV storage; gymnasiums; homes; industrial & warehouses; manufacturing facilities; playground covers; religious facilities; retail space; shops and studios.

The team at Web Steel Buildings Northwest is here, ready to answer your questions, whether you've already decided to build or are merely in the research phase.
