Circuit Rider Carpet Cleaning

Cleaning carpets is truly a labor of love for Peter Herman — and that's true now more than ever.

"This is my first spring in Sisters after 21 years in Salem and I'm looking forward to serving the residents of Sisters, especially after a long hard winter," Peter says. "Clean carpets can really brighten the home, create a healthier environment, and maybe help brighten spirits as well. For me, meeting and serving new people and helping make their home a nicer place to be is pretty important. This perspective elevates my work from the menial task of cleaning carpets to something much more."

Circuit Rider Carpet Cleaning uses plant and seed-based primary detergent and an anti-allergen

pre-spray. There are no solvents or harmful ingredients, which is best for your health and for the environment.

Circuit Rider is offering a new customer discount. Give Peter a call and brighten your home in this season of renewal.
