

# Final Winter Concert on tap this month

Sisters Folk Festival's 2017 Winter Concert Series comes to a close with singer-songwriters Rose Cousins and Caitlin Canty.

Driven by a voice that evokes raw emotion, Rose Cousins' music bravely explores the shadowy corners of the heart. Just as her songs embrace sadness, pain, and longing, these emotions are counterbalanced in performance by quick, wry wit. A native of Prince Edward Island, she lives in Halifax, Nova Scotia, deeply values being part of multiple music communities, and is fueled by collaboration.

Her music has found its way into several TV shows including *Grey's Anatomy*.

She released her highly anticipated new album "Natural Conclusion" in February — recorded with Grammy award-winning producer Joe Henry. Rose's

appearance will feature a full band, and promises to be a very special evening that you won't want to miss.

Nashville-based Caitlin Canty, who made a strong impression at the Sisters Folk Festival, delivers her songs with a dusky alto and a 1930s Recording King guitar. Her breakout record "Reckless Skyline" features an all-star band on 12 songs that veer nimbly between country ballads and straight-up rockers, dark blues and sparsely arranged folk.

Tickets are \$20 in advance for adults and \$15 for youth (18 & under). Advance tickets can be purchased at [www.sistersfolkfestival.org/tickets](http://www.sistersfolkfestival.org/tickets) until noon on March 23. All seats are \$5 more at the door. # Sisters Habitat receives grant

Sisters Habitat for Humanity was awarded a \$5,000 grant from the Oregon Association of Realtors Home Foundation to build a home in collaboration with Heart of Oregon Corps YouthBuild.

Sandy Goodsell, Sisters area director for Central Oregon Association of Realtors, presented the check to Habitat Board President Clark Brody last week. The home is currently under construction at Village Meadows and will be purchased by future Habitat homeowner Marla Brinkman.

"The neat thing about Habitat is you know when you provide funding that it's going toward the building of a house in our own community. You can actually see how owning a house can change the lives for families that live in our community," said Brody.

OAR Realtors awarded grants totaling \$179,796 to Oregon organizations that help residents in need realize the American Dream of owning a home.

The Foundation is funded by individual donations from Oregon Realtor members statewide as well as through annual fundraising events.
