

# Julianne Meeter

## Sisters High School March 2017 Student of the Month

Julianne Meeter — better known as Jules — is a spark plug. She loves people, and that manifests itself in a high degree of involvement in school activities.

"I do everything I can to be involved in the school," she says.

She joined ASG as a sophomore, where she "made a lot of neat relationships." As a junior, she ran for class president.

She has played volleyball; soccer; basketball; and is a track athlete.

"I love trying new things, new sports," she says.

She's also building a ukulele in woods.

"I just want to get as much experience as I can and make the most of it," she says of her high school career. "It goes by so fast."

Jules plans to attend California Baptist University in Riverside, California, where she will pursue the field of psychology, where she can get to know and help people —

because that's what she loves.

*"It is difficult to express how much I appreciate and admire Jules Meeter. As a student in my English classes, she asked tough questions and sought meaningful answers, even when that intellectual work was hard. As the current co-president of our Associated Student Government, she has put on countless school events, from the Veterans Day Assembly to the Spring Fling Dance. And as a proud Outlaw, she has spread her school spirit to her peers on the field and in the hallways. She consciously strives to make our school better each and every day, and she does so for one simple reason—because she truly loves it. Her amazing example inspires everyone around her to become better versions of themselves, and that is why she is so deserving of this award."*

— Matt Bradley

*"Jules is a young woman who has successfully demonstrated commitment and leadership ability in many ways. She stands out as a leader who leads with an*

*effective sense of confidence and a genuinely selfless attitude. Jules is truly an outstanding individual with much to offer. SHS has definitely benefited from the various contributions Jules has made. She will surely be missed around here."*

— Samra Spear

*"Jules is an amazing person to work with in the ukulele-building class. She is incredibly cheerful and positive, while at the same time being serious and detailed about her work. It is a joy to have her in class and work with her! Way to go, Jules!"*

— David Perkins

*"I so appreciate the way Jules lives life. She works hard, she plays hard, she serves hard and all with the biggest of smiles. She jumps in where needed and especially in unrecognized ways. She is thoughtful and kind. I love the spirit she brings to the student section of various SHS events and her hoarse laugh afterwards. We are a better place for Jules being here."*

— Jami Lyn Weber

*"Jules is a terrific selection for the*

*Student of the Month. She is one of the most generous students in the building, always ready to stop what she's doing to help another student or a teacher. She has a consistently positive attitude, which she effectively applies to her academics, electives and co-curriculars. Her eternal smile and infectious optimism make it a pleasure to be around her. Congrats, Jules, and good luck on your path ahead!"*
