

Glory Daze Car Show will fill Main Ave.

On Saturday, July 15, from 10 a.m. to 3 p.m., Main Avenue in Sisters will become a showcase for shining chrome, deep colors applied in perfect paint jobs, and the proud smiles of owners of classic cars and hot rods.

East Main Avenue will be closed from Elm Street to Larch Street, 6 a.m. to the conclusion of the event.

2017 marks the second year of the Glory Daze Car Show being managed by Sisters Park & Recreation District (SPRD). In 2016 SPRD was asked to take on the management of the car show and the June bike ride now known as the Crest the Cascades Bjarne Holm Memorial Ride.

"It's been really great for us to take on the management of these events. They have allowed us to serve and interact with a segment of our community that until recently we had very few programs for," said SPRD Executive Director Liam Hughes. "Sisters Park & Recreation has had strong programs for youth and teens dating back to the day we were founded, but participation by adults has lagged far behind. Getting more adults involved with SPRD has been a goal of ours for a number of years now, and events like the car show really help us do that."

The car show will feature a wide variety of classic vehicles (pre-1989), from all over

the state, as well as a large number of local entries.
“My favorite part of the

show is always talking with the car owners about all the work they have in their cars,” Hughes said. “As someone who likes to build and fix things myself, I always love hearing about some of the engineering solutions these guys have come up with to turn a rusty old car they found in someone’s barn into a show-quality performance machine.”
