An accident at Pine Street and Barclay Drive last week left a van on its side. No one was seriously hurt.

ACCIDENT: City is adding signage and striping

Continued from page 1

Lieutenant Ty Rupert last week that the City is doing some extra stop striping and advance signage to alert drivers to the upcoming stop.

It is unclear why there have been two major

accidents at the intersection in recent weeks, when there hasn't been a serious collision there in years. However, Bertagna noted, with the installation of the roundabout at Barclay Drive and Highway 20 and the utilization of an alternate route through the industrial park more people appear to be using Barclay Drive.

"Traffic patterns are changing," he said.
