Van Cleve, was riding with family and friends, a total of six riders, on their way for a

day's ride to upper and lower Berley Lakes. Van Cleve's horse was spooked by a snag near the trail, causing Van Cleve to fall.

The rider had sustained injuries that required transportation on a wheeled litter down to the trailhead at Highway 20. During the litter

transport it was determined Van Cleve's injuries were potentially life-threatening and would require him to be transported by air ambulance. Life Flight was dispatched to a landing zone set up across the highway and Van Cleve was transported to St. Charles Medical Center in Bend.

involved in the planning phase of the Scenic Bikeways and continues to be a very active proponent of the bikeways in Central Oregon. With at least five — and soon six — bike-ways originating within an easy drive, the informational kiosk and repair station at Village Green will encourage an increasing number of riders to consider Sisters for the hub

of their cycling vacations.

STA is a nonprofit organization whose mission is to connect people and communities to each other and their natural surroundings. The organization believes that trails and designated routes are an indispensable ingredient to the quality of life and economic vibrancy of Sisters Country — providing both healthy recreation, recreational tourism and environmentally sound transportation. The state-designated Scenic Bikeways play a vital role in supporting this quality of life and economic vitality

for the community.

STA will celebrate the successful completion of this project at their Toast the Trails event at the Three Creeks Brewing Co. tasting room on August 3 from 5 to 7 p.m. The tasting room is located at 265 E. Barclay Dr. The \$10 registration fee includes a tasting of beers on tap, a free beer of your choice and light hors d'oeuvres. Three Creeks is donating door prizes including \$25 and \$50 gift cards to the brew pub. Tickets can be purchased at www.sisterstrails.org or at the door.
