★★★ LYDIA BARTLETT ★★★ TY HORNER ★★★

Strong performers in pool and on hardwood

Lydia Bartlett is a sophomore swimmer who came back from a shoulder injury this season to have an outstanding state swim meet. She broke two individual school records: the 500 freestyle (a record that had stood since the 1990s) and the 100 freestyle. She was also on a relay team that broke all three relay

team school records. Lydia swims year-round at Bend Swim Club, so is a very accomplished swimmer. She specializes in freestyle distance events, her coach Bryn Singleton said. "She is a wonderful example to the team as she works hard in both school and the pool."

Ty Horner is a senior on the boys basketball team. A two-year starter, he was also one of the team captains this year.

"He helped lead us to a Sky-Em League championship this season with a record of 9-1 in league," said Boys Basketball Coach David Godfrey.

He was voted First

Team all-league in the Sky-Em League. He averaged 15 points and 6 rebounds a game during the regular season. In addition, he was selected to Second Team All-State Tournament at the 4A State Tournament last week, where he averaged a "double-double" with 16 points and 12 rebounds in our two games there.

"All this is quite an accomplishment — especially when you consider that he did all this while playing with an injured hand for much of the season," Godfrey said.

Ty has signed a letter of intent to play next year at Biola University in La Mirada, California — a Division 2 school.

"Ty is a skilled basketball player who also showed good leadership in helping our team have a very successful season," Godfrey said.

Get set to hunt some eggs

Children from infant to 11 years of age are invited to participate in the annual Easter Egg Hunt co-sponsored by the Sisters-Camp Sherman and Cloverdale fire departments. The event will take place on Easter Sunday, April 1, at 1 p.m. at the adjoining Creekside Park and Campground, regardless of weather. The Easter Bunny will be present to greet all.

Parking is limited, so plan to arrive early. Children wishing to participate are asked to be at the parks at 12:40 p.m. so they can be divided into the appropriate age groups. Children are divided into the following groups: Infant to 2 years old will be in the red area, 3 to 5 years old will be in the yellow area, 6 to 8 years old will be in the blue area and 9 to 11 years old will be in the white area.

Be prompt; the eggs disappear fast. There are prizes for golden eggs.

For more information contact the Sisters-Camp Sherman Fire Department at 541-549-0771.
