

Brady Wessel

Sisters High School May 2018 Student of the Month

Brady Wessel's success at Sisters high School is all about work ethic — in the classroom, in the weight room, on the field.

"It all comes down to hard work, I guess," he says. "There's no substitute for that."

Brady works hard in class, gets his work in on time. He particularly likes math and plans to study biology in college. Wessel is a multi-sport athlete in track, football and formerly wrestling. He made first-team all-state in football — which he attributes to laying a foundation of strength in the weight room.

"That's almost entirely what it is," he says. "I don't have that much natural ability. I had to work hard for everything."

That hard work will put him on the football field in college.

Brady has gotten the most out of his school experience in Sisters.

"I feel like I've got good relationships with all the teachers... I respect them a lot and they respect me," he

says. "I feel like everyone looks out for each other. That sense of community makes it a unique place."

"We all know Brady Wessel is strong as an ox and is a gifted athlete. Brady works just as hard in the classroom as he does in the weight room and football field. Yet what sets Brady apart from many is how kind-hearted he. Brady really is a gentle giant. What's also great about Brady is that he's willing to get involved with the school and not just focus on his academics and athletics. He's done some hilarious things on our stage during assemblies. Brady is a role model and leads by example. I'm gonna miss that kid! Congratulations."

— Joe Hosang

"Brady is an amazing human. I have absolutely loved being one of his teachers. He is such a powerful thinker. Brady is a humble and helpful classmate and teammate. He makes every group he joins better. I will miss Brady when he moves on to the next chapters in his life."

— Daniel O'Neill

"Brady is the true epitome of a

student athlete. He possesses a tremendous work ethic in both the classroom and on the field, and has humbly walked the halls as an Outlaw the last 4 years letting his actions speak louder than his words. Brady is going to be a success in life on all fronts, and we will miss him here at SHS!"

— Gary Thorson

"Brady is a true Outlaw! He adds to anything he is involved in. His positive spirit and work ethic are rare and motivational to all of us."

— Rand Runco

"Brady is the embodiment of Outlaw Football. He is a committed student, teammate and community member who prioritizes his time and effort. The example he has set is going to be very tough to replace."

— Neil Fendall

"Brady has such a great work ethic and

determined spirit, and such a thoughtful heart inside that strong frame. The world is a better place for Brady being in it."

— Jami Lyn Weber
