Sisters High School culinary arts students prepared Monday for next Friday's Industry X Education fundraising event at 10 Barrel Brewing Co.

Students prepare for culinary event

Sisters High School Culinary Arts students were busy rolling dough on Monday, filling it with pear and apple filler and pinching it into bite-sized “tartlets” in preparation for a major fundraising culinary event at 10 Barrel Brewing Co. in Bend on Friday, November 9.

The students will also create an elk “slider” and salmon gravlax for the Industry X Education event, which will raise funds to support culinary programs across the region. The event will be

held November 9 at 10 Barrel Brewing Co., 62950 NE 18th St. in Bend. Tickets are \$100 each, which includes food and a custom-branded pint glass. Proceeds benefit participating programs, including Sisters.

The SHS program, led by TR McCrystal, will partner with Chef George Morris of Bos Taurus for the event.

Industry X Education — A Night of Fine Food and Fundraising, runs from 6:30 to 9:30 p.m. For tickets, visit www.cohsculinaryfundraiser.eventbrite.com.
