## Sisters man arrested after ER incident

A 37-year-old Sisters man was arrested on multiple charges after an incident at St. Charles hospital in Redmond on Tuesday, January 22.

Redmond Police Department officers were called to the emergency room at St. Charles Redmond at approximately 6:45 a.m., regarding a man — later identified as Scott Bulloch — who had engaged in a physical dispute with a security guard at the location. According to police, the man displayed "threatening and tumultuous behavior" and damaged property while in the building. Security and other hospital staff were able to remove the man and the hospital was placed in a lockout. The security guard involved in

the dispute sustained minor injuries.

Officers responded and attempted to locate Bulloch. He was not immediately located, but police received information including his name and clothing description. After approximately 45 minutes, the hospital reopened for normal business.

At approximately 9:30 a.m., officers were called to the area of NW 17th Street and NW Jackpine Avenue to a report of a physical dispute that turned out to involve Bulloch. Officers arrived and detained Bulloch. Law enforcement and family members had been looking for him since the earlier incident at the hospital.

## People's Choice winners named

By Helen Schmidling  
Correspondent

During the past three weeks at Sisters Library, the people voted — and how they voted! This year, a record number of People's Choice ballots were turned in, each ballot listing the three favorite pieces of art in the Sisters Library Annual Art Exhibit. Friday night, the ballots were counted and the winners were announced. Two of the three winners repeated from last year, and the third was also a previous winner.

Make it two in a row for artists and friends Austin James Jackson and Steve Mathews, both of Tollgate in Sisters. Jackson, 20, a self-made landscape photographer, is a senior at Portland State University; and Mathews, 76, a professional artist and retired teacher, also earned ribbons in last
