FUEL THEFT: Truck recovered; suspect still at large

Continued from page 1

Fryrear Road and Highway 20. The deputy attempted to stop the truck but the driver fled. The deputy initiated a pursuit of the truck, which traveled westbound on Highway 20 to Peterson Ridge Road. The deputy lost sight of the truck near the intersection of Peterson Ridge Road and Brooks Scanlon Logging Road. The vehicle was last seen traveling west on Brooks Scanlon Logging Road. Additional deputies later saw the vehicle in the city of Sisters but did not pursue the vehicle due to the reckless driving observed inside the city limits.

Deputies continued to search the area and were unable to locate the vehicle.

The truck was later reported as stolen from the northeast Redmond area. Late on May 5, deputies responded to the area of Northwest Placer Lane in Terrebonne on a report of the stolen vehicle being in the area. Deputies confirmed it was the reported stolen truck, which was not occupied. The vehicle was recovered, but the suspect remains at large.

Deputies were assisted by the Oregon State Police in their search. There were no injuries in the incident and the maximum speed reached during the pursuit was 90 mph on Highway 20. The Deschutes County Sheriff's Office asks anyone with information on this incident to call the Non-Emergency Dispatch number, 541-693-6911.

Senate: Freeze on pot production

SALEM (AP) — The Oregon Senate moved forward with a plan to limit the state's supply of recreational, legal marijuana.

Lawmakers voted 18-10 to freeze marijuana productions at current levels for the next two years. The state will not issue new production licenses to marijuana growers, but current growers will be able to renew their licenses.

Democrat Sen. Michael Dembrow from Portland said the state produces so much marijuana that Oregon has enough of the drug to last it for the next 6.5 years. That surplus has caused prices to plummet.

Lawmakers shot down another version of this bill earlier this month. Republicans said at the time that the marijuana industry should be regulated by the free market, not the state.

The measure now goes to the House for consideration.

Woman air lifted after wreck

A 69-year old woman was airlifted to St. Charles Hospital in Bend on Sunday afternoon after the vehicle she was driving left the roadway on Camp Polk Road and struck a tree.

The accident occurred at Camp Polk and Crooked Horseshoe. An ambulance and rescue crew from Sisters-Camp Sherman Fire Department extracted the woman from the vehicle and transported her to Sisters Eagle Airport where an Air Link helicopter responded and transported her to the hospital for treatment of her injuries.
