He has a very calming demeanor, which we appreciate as real estate transactions can be stressful. He kept us well-informed and was easily accessible for any questions. AND he found our perfect home! ## Sisters Farm School

Sisters Farm School, opening June 24, offers a creative space for your child to grow through their inner discovery, to learn through relationships, both human and animal. They will strive to develop their academic skills, and be imaginative and wonder through their art and music.

Sisters Farm School, located between Sisters and Bend, serves ages three to six and after school. An open house is set for Friday, June 21, from 5 to 7 p.m.

Sisters Farm School is teacher-directed (educational), as well as "play based" (child-centered). The most important way for children to learn at this age is through play. Sisters Farm School will work on kindergarten readiness, and help prepare pre-K children to show their academic/social skills necessary to enter kindergarten.

They encourage parent involvement, and will have opportunities for parents to participate in the classroom environment.

## Aqua Hot Tubs

Health and wellness start here!  
Aqua Clear, Inc. in Sisters has been servicing hot tubs in Central Oregon since 1992 and acquired Aqua Hot Tubs earlier this year, bringing together sales and service in one location in Sisters.

Rick and Mel Trammel, owners, expanded the showroom to feature a wider variety of hot tubs, swim spas, saunas, wood stoves, pellet grills, essential oils and spa maintenance products to choose from.

Take the stress out of owning a hot tub or swim spa by purchasing from Aqua Hot Tubs and having Aqua Clear maintain it to protect your investment and keep it in top condition year-round.
