Drainfield Restoration

It's a moment to dread: Your drainfield is failing. Replacing it and tearing up your yard is dauntingly expensive, running into the thousands of dollars. But what if you could restore your drainfield without replacing it?

Turn to Drainfield Restoration. As Central Oregon's only factory-trained Terralift operator, they can restore your drainfield for a fraction of the cost of replacement. Drainfield Restoration blasts air into the soil, breaking up biomat and compaction, restoring the soil's original leaching capacity. They can also jet inside lines and remove tree roots that are often the culprit in drainfield problems in Sisters Country.

It's a one-day project — and it works for years. In business since 1995, Drainfield Restoration has saved clients thousands of dollars across the state of Oregon. For tips on restoration and care of your septic system, visit www.RestoreYourSeptic.com.

SEPTIC SYSTEM FAILING?

Restore Your Septic, Don't Replace It!

Bear Mountain Fire

Trees make Sisters Country what it is. And after a stressful winter that was hard on Sisters trees, and with the dry, hot conditions of summer upon us, many homeowners worry about conditions on their forested property.

Dave Vitelle, is also working with 4 Brothers Tree Service, has spent years in the woods, fighting fire and conducting thinning projects that improve forest health. Whether it's one stressed tree that you need to remove, or a forested property that needs active management, Dave is a great resource to turn to. While Dave makes part of his living cutting down trees, he loves them, and he'll help you do everything possible to save your beloved trees.

Fire season is upon us. With years of expertise in fuels reduction, Bear Mountain Fire can help you ensure that your property is both fire-safe and healthy. Now is the time to act to protect your beloved Sisters home and make it as healthy as can be.

Serving Sisters for 23 Years

Oishi Japanese Restaurant

Oishi Japanese Restaurant is soon to celebrate their sixth anniversary in Redmond.

Oishi's menu offers a wide variety of Japanese specialty items including sushi, sashimi, noodles, donburi, BBQ, appetizers, bento, house specials and dinner entrees. Located on SW 6th St., Oishi Japanese Restaurant is open for lunch and dinner.

On July 3, they will mark their anniversary with a special fundraising event. Each year, long-time patron Toni Rich helps them select a local child in need, and on the day of the fundraiser, the restaurant donates its total sales to helping that child. In addition, there is a silent auction to which the community contributes.

Last year the event raised \$10,000. Oishi owners, Yee Thanittihanand and Peter and Molly Stephen, say that the event is a way to "give back to the community" — a community that has supported the restaurant since they first came to Central Oregon.
