Mick Hunter was a passionate participant in the Glory Daze Car Show from the beginning. The show is now dedicated to his memory.

Sisters car show to honor Mick Hunter

The Sisters Glory Daze Car Show 2019 will be held in memory of Mick Hunter. The event is set for Saturday, July 20.

Mick Hunter, who died on May 21, was a key part of the car show for many years.

“Anyone who knew Mick knew his compassion, his service to others, his infectious laughter, warm smile and loving embrace!” noted Shannon Rackowski of Sisters Park & Recreation District, who organizes the event.

Hunter was passionate about classic cars and had extraordinary enthusiasm for hot rods, so a new award will be presented this year: “Mick’s Ride” in memory of a man who stood for integrity,

dedication, and friendship.

Another feature added to this year’s Glory Daze Car Show will be a Jeep Expo. Smolich Motors of Bend is a new sponsor to the show this year and will bring a variety of 2019 Jeeps for display.

The Kona Ice Truck will also be present for those that are interested in trying one of their 45 flavors, like Tiger’s Blood or Island Rush, or one of their 10 Kona Crafted Specialties like Blackberry Mojito or Mai Tai.

The Glory Daze Car Show runs from 10 a.m. to 3 p.m., on East Main Avenue. For more information or registration visit www.sistersrecreation.com/glorydaze, call 541-549-2091, or email sprd@sistersrecreation.com.

Mountain hike supports Parkinson’s resources

A 4.6-mile hike on Saturday, August 10, will raise awareness of Parkinson’s disease and money for Parkinson’s Resources of Oregon (PRO).

The Hiking Sisters & Misterys event takes participants from Green Lakes Trail Head to Lake Moraine and back, all organized by the local group Hiking4PD.

Jane Miller, who was diagnosed with Parkinson’s several years ago, noted, “I am so excited to be bringing my dream of hiking South Sister, supporting PRO, and raising awareness of Parkinson’s Disease (PD), especially as it relates to women, to life... This fundraiser has been a dream of mine ever since I saw the glory of the Three Sisters across the seasons, since I experienced the love and support of my neighborhood sisters in Sisters, since my Gamma Phi Beta sisters rallied around me when I needed them the most.”

Miller notes that PD is more common in

men than women, and while women who have PD are affected in much the same way as men, there are some real differences. For example, more women experience depression and a greater impact on their daily living than men.

“PD progresses at its own pace, with no way to predict what will happen next,” she observed. “We must continue to support research and programs that help the PD community. Programs like Parkinson’s Resources of Oregon, whose sole mission is to improve the quality of life of its community. The dedicated staff and volunteers at PRO have positively affected the lives of thousands of people — patients and caregivers, friends and families.”

Sponsorships are welcome. For more information, visit <https://parkinsonsresources.org> Facebook and search for Hiking4PD. Donations may be made at <https://parkinsonsresources.org/donordrive.com>.

Sisters salutes...

Bill Anttila wrote: The Weekend Brown Bag School Lunch Program concluded this week. Over 1,000 bags were packed this school year since October. I wish to thank Dawn Cooper and Theresa Slavkovsky at FAN for support of food for the program. I also wish to thank the following school secretaries for distribution of the bags at school each week: Shannon Beutler, elementary school; Connie Neilson and Mary Lesowske, middle school; and Ruth Barrios at the high school.

Shepherd of the Hills Lutheran Church, ministered by Ron Gregg, hosted the facilities to house and pack the brown bags. Church members Caryl Gibson, Russ and Nancy Williams, and Joanne and Bill Anttila packed the bags each week.

The program could not be successful without all those mentioned. The program is all-volunteer, and costs involved are only for the purchase of food. A tax-deductible cash donation can be made to the Sisters FAN office for next school-years’ supplies. Mention the donation is for the Brown Bag School Lunch Program.
