

Horse-themed quilts featured in garden tour

By Sue Stafford

Horse-themed quilts will be on display in the garden of Jim and Jeni Cline during the Quilts in the Garden Tour on Thursday, July 11, 9 a.m. to 3 p.m. In its 22nd year, the tour is presented by the Sisters Garden Club, which gives the proceeds from ticket sales to support the work of other community non-profits.

The quilts at the Cline's will reflect the setting among the pines, with a horse barn housing two thoroughbreds and two mustangs. Adjacent to the barn on one side are large pastures for the horses and on the other side a charming greenhouse and fenced vegetable garden with espaliered apple trees on the fence.

The 11 acres on which the Clines built their home were originally part of the historic Black Diamond ranch, which is also part of this year's tour.

Jim proudly pointed out that the house, which took about 10 months to complete four years ago, was nestled among the pine trees without cutting down one tree. The house and yard will both be open during the tour.

A special raffle

opportunity will be available at the Cline's. A pet-themed outdoor side table crafted out of rusted metal by Doug and Judy Marcoe of The Rustic Garden in Madras will be awarded to the winning raffle ticket. Many of the Marcoe's masterfully crafted rustic garden art creations will be available for purchase.

Will-call ticket pickup will be located at the Cline's.

Tickets for the tour of five special Sisters gardens and homes are \$20 (children under 12 free) and may be purchased at the Sisters Chamber of Commerce office and The Gallimaufry.

Emergency exercise planned

Local public-safety agencies are planning an emergency notification exercise mid-morning on Saturday, June 29.

The Deschutes County Sheriff's Office, Sisters-Camp Sherman Fire District, and Deschutes County 911 will send out a test message via Deschutes Alerts around 10 a.m. that morning to residents of the Sisters-Camp Sherman Fire District.

Deschutes Alerts is utilized to provide you with critical information quickly in a variety of emergency situations, such as dangerous law enforcement incidents, missing persons and evacuations. The Deschutes County Sheriff's Office,

Sisters-Camp Sherman Fire District, and Deschutes County 911 want you and your family to be prepared for the upcoming wildland fire season, and any emergency.

The message will clearly indicate it is a test message and will encourage the receiver to update their profile in Deschutes Alerts, which can be done at www.deschutes.org/911/alerts. The message will also ask the receiver to encourage friends, family and neighbors to sign up for emergency alerts. Residents can receive messages in the form of Everbridge Contact Bridge App (available on the Apple App Store and Google Play), text, voice call, email as well

as TTY (text telephone). Participants can provide up to 11 contact paths to receive notifications. Once receivers respond they received the message, it will stop notifying them unless an updated message is sent out.

If you did not receive a test message, you are probably not signed up or have not updated your profile with current address and contact information. Go to www.deschutes.org/911/alerts to sign up.

If Sisters-area residents have trouble receiving or signing up for messages, they are encouraged to contact the Sisters-Camp Sherman Fire District at 541-549-0771. Do not call 911 for assistance.
