CORRECTION

Reader James Walz pointed out an error in the June 19 page 2 column, "The blast crater of Watergate." Richard Nixon was not a governor of a major state. He ran for governor of California in 1962 and lost, leading to his famous statement to the press that "you don't have Nixon to kick around any more, because, gentlemen, this is my last press conference."

The Nugget thanks Mr. Walz for correcting the record.
