To the Editor:

While cruising the car show this last weekend it brought
back a lot of good memories of different times in my life. Add
to that hearing Ray Charles amazing rendition of “America
the Beautiful” being played; what could be more indicative
of American culture? This weekend was also the 50th anni-
versary of the first moon landing. We have so much to be
proud of and thankful for as Americans. Our freedom paid for
by the blood of many — most notably in my opinion those
known as the Greatest Generation.

So how did we get from the Democratic Party leader-
ship of JFK where it was “Ask not what your country can
do for you but ask what can you do for your country” to an
extreme radical new leadership? This tiny group of newbies
led by a one-time bartender has set the agenda by which
most of the 2020 Democratic candidates are aligning to.
The agenda includes socialism; also known as Fascism/
Communism, open borders, free college, free medical to ille-
gals, elimination of the Electoral College, wealth redistribu-
tion, racism, elimination of fossil fuel use, universal health-
care and elimination of personal health insurance, extreme
taxation, reparations, infanticide, and possibly repeal of
2nd Amendment.

Criticize their agenda and boom, you’re a RACIST!!
Is this really what the America Democrats are striving for?
