Bisnett Insurance

Back in January 2018, Bisnett Insurance picked up the reins of one of Sisters' most respected companies, when Don Fullhart retired after decades of operating Fullhart Insurance. Roger Bisnett and family took on the company, adding it to the roster of regional, rural, small-town agencies it specialized in since the company's founding in Pendleton, Oregon, in 1980.

Tammy Taylor and the long-established team continue to offer the same level of attentive, neighborly service built on integrity, trust and responsiveness. They review your needs and objectively analyze options from dozens of top insurance providers, ensuring you get the right insurance at a competitive price. Really the only thing that has changed is that there are more markets, support and resources available to serve clients.

Bisnett Insurance brings quality people, resources and quality insurance solutions to the communities they serve – and that tradition continues in Sisters.

While our name has changed, the same **great people** are here to serve **YOU!**

Christmas Lights R Us

Christmas lights are a delight – but let's face it, they can be a real pain to deal with. If you've got to climb a tall ladder or get on the roof to get the job done, they can be downright dangerous.

Christmas Lights R Us takes all of the hassle and hardship out of your holiday lighting display so that all you have to do is enjoy.

Using LED lighting can save as much as 90 percent of energy costs, and they'll install, maintain and remove (and store) your lighting. You conceive of your lighting scheme and Christmas Lights R Us will bring it to life. Eaves, trees, windows, outbuildings, bushes – wherever you want lighting, they'll make it happen, including custom color schemes.

From large commercial contracts like the Redmond Airport to small residential homes, Christmas Lights R Us does it all, so your Christmas lighting is nothing but a joy through the whole season.

Light Up The Holidays!

Our busy elves create fabulous lighting displays and deck your home with glee, that Santa, friends and family will love to see!
Residential and commercial installations.

PROJECT FEED

SISTERS VACATION RENTALS

Rental guests often have food leftover when they are done with their stay.
We donate these non-perishable foods to the Sisters Kiwanis Food Bank!
It's our way of thanking the community and offering a helping hand so that visiting guests can make an impact right here in Sisters!
