## Hospice of Redmond

During the month of November, hospices across America recognize National Hospice and Palliative Care Month. Hospice, by definition, is a team-oriented approach to providing specialized care for people facing a life-limiting illness or injury. It includes expert medical care, pain management and emotional support for patients and their families. More simply, hospice care supports living one's life to the fullest with dignity regardless of how much time remains.

In a recent national survey, most respondents agreed that expertise in keeping a terminally ill patient as comfortable and as pain-free as possible is the single most important service to consider when caring for a loved one and the end-of-life experience. This is the essence of hospice care, this is what they do at Hospice of Redmond. Every day, their family of nurses, home health aides, chaplains, bereavement coordinators, social workers, are all at your service supporting you and your family's wishes for nearly 40 years throughout Central Oregon.

## Gallimaufry & Sisters Liquor

Winter is coming in Sisters Country – but not “winter hours.”

The Gallimaufry & Sisters Liquor Store will be open regular hours through the winter to better serve Sisters customers seeking libations and gifts at The Gallimaufry. Those hours are: 9 a.m. to 8 p.m. Monday-Saturday; 10 a.m. to 6 p.m. on Sunday. Maintaining evening hours through winter is part of a commitment to outstanding customer service.

Sisters Liquor Store offers an extraordinary selection of outstanding products – perfect for entertaining guests during the holiday season or enjoying by the woodstove as the nights grow chill. Special orders and requests are most welcome – the staff loves searching out special items.

The Gallimaufry section of the business offers an array of quality gift items. The Gallimaufry & Sisters Liquor Store are all about creating a personalized shopping experience for folks who live here or for those visiting Sisters. They've got the “Open” sign on and the welcome mat out.

## Antler Arts

Each year, deer, elk and antelope shed their antlers, littering the floor of field and forest with one of nature's most striking renewable resources.

“Shed-hunters,” like mushroom-pickers, love to be out in the woods, driven to find that perfect specimen from a buck or a bull that can then be turned into exquisite art. And you'll find an outstanding array of such crafts at Antler Arts in Sisters.

The people who collect those beautiful shed antlers know that they can trust Jaimi and James Warren to give them a fair price for their treasures, based on a true scale weight. That's why people from across the Pacific Northwest send their product to Antler Arts in Sisters.

And crafters in Sisters Country and across the region turn them into everything from knife-handles to magnificent elk-antler chandeliers. Antler Arts products grace homes from rustic cabins to grand lodge-style homes, all across Sisters Country.
