Follow the Sisters Habitat for Humanity **Gingerbread Trail**

The holiday elves are dressing up the town for the season, and many businesses will be participating in the 12th annual Sisters Habitat for Humanity Gingerbread Trail. Businesses will display a gingerbread house made by their employees or supporters. Spectators can vote for their favorite by placing money in the Habitat donation box next to the confectionary work of art. Everyone is encouraged to vote for more than one house.

The creations will be on display beginning Friday, November 29 until Thursday, January 2, 2020. Maps of the gingerbread

trail are located at the Sisters Area Chamber of Commerce, Sisters Habitat Thrift Store and ReStore, as well as all participating businesses.

The gingerbread creation that receives the highest dollar amount will win the People's Choice Award. A Best in Show Award will be decided by three independent judges. These awards will be announced in January. All proceeds benefit the building program of Sisters Habitat for Humanity.

Sisters Habitat for Humanity offers low-cost homes and home-improvement services to those who qualify in Sisters.

Alpaca Country Estates

Alpaca Country Estates Ranch and Bed & Breakfast is a working alpaca ranch. Our herd, which began with the purchase of six lovable Huacaya alpacas in 2006, is now over 1,000 strong. The ranch offers breathtaking views of the Cascade mountains, and includes a bed and breakfast, fashion design company, artistry classroom, and boutique store.

They have been rewarded with color champions and reserve champions in black, grey, brown, fawn, and white.

From their magnificent alpaca fiber, they create luscious, soft yarn; woven garments/blankets; and alpaca fiber-filled quilts, bringing to you some of the finest products in the Northwest.

Nancy and Art Izer would love for you to visit their picturesque ranch in Terrebonne, where they produce their own hay, strive for a green planet, design alpaca clothing/quilts, and have top-line alpacas of every color for you to choose from! They pride themselves on sharing their knowledge with new alpaca owners who want to get started in the business.

Becerra's on 6th Bistro

Moises and Sheila Becerra spent over a year meticulously designing the restaurant, patio, and menu, and renovating the old Dolliver Hotel in Redmond. The result is an Art Deco bistro unlike anything else in Central Oregon, giving you the chance to "wine and dine as you step back in time."

The dining room exudes warmth with stained glass lighting and an open kitchen, accentuating the sparkling table settings atop crisp white linens, serviced by a superbly trained staff with an eye on exceptional customer service. The beautifully crafted, French-inspired menu includes such traditional offerings as beef bourguignon, beef Wellington, French onion soup, lamb chops, escar-got, frites and homemade bread, too. Entrees range from \$17 to \$39. Mention you read about Becerra's in *The Nugget* and get one complimentary dessert to share with the purchase of two dinners. Becerra's is open Tuesday through Sunday, 4 to 9 p.m. Treat friends and family with a gift certificate for the holidays!
