The Outlaws Cheer and Stunt Squad earned a win at the Sweet Home Cheer Classic.

Outlaws cheer squad posts a perfect 10

The Outlaws Cheer and Stunt Squad took home their first team win for the 2019-2020 competition season last weekend at the Sweet Home Cheer Classic.

The team fought hard and earned the first-place plaque in the 4A division.

Stunting, dancing and cheering their hearts out, the girls scored a perfect 10 for their cheer and received high marks in dancing and tumbling. A highlight of the girls' routine was their elite stunt sequence.

The girls performed in two stunt groups with the elites performing a new, more advanced stunt routine.

At each event, the team is scored on jumps, dance, a cheer routine, stunting and tumbling along with the difficulty and execution of skills

performed.

The Sweet Home Classic, the first event of the season for many teams, presents the challenge of not knowing their competition. Participating in this event can be both exhilarating and nerve-racking for teams.

The girls' strong start to their competition season has placed them one step closer to competing at the state level. The Outlaws cheerleaders will be competing four more times to earn a place at state.

Their next competition will be on January 4 at Cottage Grove High School.

WRESTLER: Martin won each match with a pin for championship

Continued from page 8

Finally the Outlaws had senior Ethan Martin.

"Martin had a great weekend, winning the 195-pound weight class," Downs said. "He is the second Outlaw to win a weight class at the Culver Tournament in my history of coaching."

Martin had taken second at the tournament last year as a junior, and also with his qualifying for state last season he was able to

be seeded first at the Culver meet.

Martin won all of his matches with pins. In his first match he pinned his opponent in 16 seconds and then pinned his second opponent in 32 seconds. Then Martin had to face Crook County's Aaron Bowen in the first-place final match. Martin and Bowen battled it out throughout almost all three rounds and in the last four seconds of the last round Martin was able to turn Bowen and get the pin and win the championship.
