Bend High won the boys' team title with 167 points to easily outdistance the rest of the field. Sisters placed sixth among eight scoring teams with 27 points.

I'm really looking forward to the rest of the season — Bryn Singleton

Following the meet Singleton felt pleased with her team's first outing.

"Returning swimmers came close to or surpassed their best times from last season, and new swimmers did a great job overcoming nerves and swimming great in their first races," she said. "Every year I enjoy watching kids take on the challenge of learning to swim and then watching them improve so much over the season and their years on the team. I'm really looking forward to the rest of the season."

Junior Ellie Rush, at the setter position, dished out 617 assists, recorded 145 digs, 57 aces, and 11 blocks through the year.

Rush added, "Having three girls recognized for All-State awards this year is an honor by coaches around the state that saw their hard work, intense floor presence, and floor leadership," said Rush. "Sam, Greta, and Ellie were consistent leaders for us on and off the floor. They worked hard every day in practice to push our team to the next level during games. I am so proud of their efforts this year that helped us bring home the fourth-place trophy at State."
