## All things "fun" for couples

The Pretty Pussycat is about all things fun for couples on Valentine's Day.

The Pretty Pussycat adult boutique is marking 20 years of helping couples enhance romance and passion each and every day — and they provide everything you need to make your Valentine's Day special. From lingerie to toys to massage oils; candles and bath balms and much more, you can find ways to add a little spark and spice to the occasion. Since it's a three-day weekend this year, a travel kit might be in order...

There's a library of books, from educational materials to erotica to help inspire.

The staff are certified in Sexual Health Resource Education and they are more than happy to answer your questions — or leave you alone to browse. They are committed to creating a comfortable, welcoming environment for their patrons.

It's common for a customer to say, "I've wanted to come in for years and you made me feel so welcome!" So make this romantic holiday the time you stop in and open the door to romance.

## Romance of the West

The romance of the Western lifestyle is on full display at Antler Arts.

The Sisters shop is a true treasure trove — full of beauty to fill your home

Here's a short list of some of the locally handcrafted items that make heartfelt gifts for someone special — or beautiful accessories to help you build your life together.

Let Antler Arts' personal shoppers help you with: jewelry; Western art; belt buckles; bolos; steak and hunting knives. Find wine, spirit, and serving accessories; antler guitar stands; toys; Western boots; books; hides; pelts and Native American baskets and dreamcatchers.

Pick up walking sticks; shed antler chandeliers, floor and table lamps; moose and elk candelabras. Find shed antler wedding cake toppers and décor; lodge-style furniture; and antler pet chews.

They also have gift baskets, and if you're not sure just what to get, a gift certificate is always a welcome Valentine's gift.

The best way to experience Antler Arts is to come in and explore together. Nothing brings a couple closer than crafting a way of life together and seeking out the treasures that express it. That's the gift that Antler Arts gives Sisters.
