

# RAMSEY SCHAR

Sisters High School January 2020 Student of the Month

Ramsey Schar grew up in Sisters. "It's given me the opportunity to know my classmates and my community members a lot better," she says. "Since I've known them from such a young age, we're all close."

That sense of connection feeds a work ethic that keeps Ramsey working hard in her classes and outside the classroom as well. She particularly likes math, and she's the co-president of the Astronomy Club.

"I love astronomy," she says.

She also plays tennis, interns with the eighth-grade ECoS class, where she accompanies students on their expeditions, and works on weekends and some school nights at Sisters Movie House.

She plans to attend Central Oregon Community College next year, with plans to move into the fields of outdoor leadership and education.

*"Ramsey has truly earned this recognition. She has made a habit of putting her best effort into her work, from small to large tasks,*

*translating to high quality thoughtful learning and results. She leads by example with kindness and humility, seeking opportunities to give and grow. We are so fortunate Ramsey is an Outlaw! She has given our community so much over the last four years. I wish her the best!"*

— Rima Givot

*"Ramsey is an awesome kid. She is smart, hardworking, and always has a smile. I absolutely love being one of her teachers."*

— Daniel O'Neill

*"When I think of Ramsey, I think of the words inspiring, friendly, positive and integrity. She is the kind of person who makes others better. No matter the situation, she is kind, encouraging and selfless. She makes it a point to be present in the moment and can be counted on to always give her best, with a big smile on her face. I've had the opportunity to travel with Ramsey and even outside of school, she stood out as a positive role model. She is a treasure."*

— Samra Spear

*"Ramsey is a terrific outlaw. She has a bright light that shines in everything she does. It is difficult to find her without a smile and she is willing to help anyone at anytime. She is such a positive asset for the school."*

— Rand Runco
