The Parnells are an Americana/Country band from Bend, bringing a sexy, indie flare to the classic country sound. Powerful vocals, tight harmonies, and solid guitar playing drive their rootsy sound. They will perform as an acoustic duo with Corey and Whitney Parnell. Their compelling set is nostalgic and emotional.

Jenner Fox comes from a family of river guides. He followed the family trade and released his first record (self titled) in 2015 to sell to rafting clients. Four records later, Fox calls Sisters home, travels from show to show on a cargo bike whenever possible, guides whitewater rivers all over the world, teaches music camps and searches for songs.

"Jenner is a storyteller. His music is full of love, compassion, and curiosity," said Lawson White of Good Child Records. "The characters are relatable because they're real folks. His stories are sincere and draw you in because they're your stories. His songs make it clear that he is a true listener and observer of the world around him, and will have you laughing one minute and crying the next, engaged with wide eyes and bated breath...start to finish."
