## Mentor Children in Sisters

Central Oregon Partnerships for Youth (COPY), a program of the Deschutes County Sheriff's Office, is offering a class to prepare volunteers to become mentors for children with an incarcerated parent. After initial training and comprehensive background checks, volunteers are matched with a child in Sisters that shares similar interests and commits to spending a few hours a week together for a minimum of one year. This time is often spent working on homework, attending art programs, exploring the community, or simply hanging out and talking. On Saturday, September 26, COPY will offer a virtual orientation/training class. This 3½-hour class covers program policies, how to establish a mentor relationship, the impact incarceration has on families, and communication skills. Additionally, we will be spending time talking about safety and best practices for mentoring in a COVID-19 world. There is no cost to attend, but advanced registration is required. Call 541-388-6651 or go to [www.sheriff.deschutes.org/jail/copy-program/](http://www.sheriff.deschutes.org/jail/copy-program/) for more information or to register.
