COOPER is a diamond in the rough needing an experienced, consistent companion willing to put in the time and effort with both formal training and exercise. **COOPER** loves people, is enthusiastic, and needs some clear direction and boundaries in order for him to thrive. He can be selective with his doggie friends so a meet-and-greet is required. This beautiful boy is worth the effort and deserves a loving family! Might want to get **COOPER** his own personal pool for in between those trips to the lake!
