The City and its contractors are actively coordinating with the State of Oregon's Department of Environmental Quality and the Upper Deschutes Watershed Council to take every safety precaution necessary. The project is in part being paid for by a \$154,000 FEMA grant.

"You bet I fetch." Brody is a great play partner. Brody is super social and playful but sometimes doesn't know how big he is and knocks the little ones down. Kids over 12 will have a great time with Brody. It was also reported that Brody has caused the demise of chickens so if you or your neighbors have chickens then Brody would not be the dog for you. He is house trained and ready to settle in to a home where he can continue his adventurous life!
