

Holidays in Sisters 2021

The Sisters community Christmas tree in Fir Street Park has been lit; Santa Claus has rolled in on his carriage down Hood Avenue. The holiday season in Sisters is officially underway.

Many folks hit the streets of Sisters last Friday and Saturday to explore the downtown shops. More than ever before, we're taking the idea of shopping local and supporting our local economy to heart. That's easy to do when there are so many unique goods and services on offer. You'll find unique gift items and experiences to share with those on your list — and enjoy yourself doing it.

Celebrate the Holidays in Sisters Country
