Wonderful Bargains in Used Ranges

The Gas Company was notified to move its supply of used Cookstoves, taken in as part payment on Modern Gasranges (mostly on Smoothtops) as the third floor of the Honeyman building has been rented to someone else. Rather than hire new Storage for them we shall give the buyer an additional discount of

\$20.00, \$10.00 and \$5.00

according to size of the range. They were already marked down as low as possible and this is just like finding money for those who want a reconditioned cookstove.
