From Trappers to Temperance

Shannon Applegate Mueller has been researching and writing a book about Oregon's pioneer trailblazing Applegate clan for the last 12 years. Next year, William Morrow Company will publish **Skookum - A Meditative History** about her amazing family of "compulsive communicators."

Fortunately, we don't have to wait that long to get in on the stories of the unique men and women who helped shape the Oregon we know today. At LCC on Wednesday nights for the next 10 weeks, Shannon will share her insights into Oregon history from 1811-1890 with the community. **From Trappers to Temperance** will focus on the personalities and accomplishments of the many individuals who have come to this place before us.

See our Wednesday, October 6 listing for class details.
