

Artists in Residence Directory

Theater • Music • Dance • Art

Next issue, November 18, **What's Happening** begins publishing a weekly directory of local performers, artists, teachers, lecturers, media and craftspersons. The Artists-in-Residence Directory will list vital information in a 4 or 5 line format tailored to meet each individual's needs, something like this:

Name, area of specialty or descriptive function
Home, studio, or crafts fair address/no address
Phone number, city
Succinct 2-line description of performance, service, or product you want to advertise (as you would in a business card, for example)

To illustrate, a voice teacher describes her services under **MUSIC**:

Majida Friedman, Voice
485-0979, Eugene
Developing the natural voice,
Singing for all ages.

A second example is this entry under **DANCE**:

Carol McIntyre, Director
Aloha Nui Company
484-9874, Eugene
Authentic Polynesian Dance Performances
For large or small groups.

Between now and the new year, **What's Happening** is making a terrific offer to local artists: for the next seven issues, we'll list you in our Artists-in-Residence Directory for only \$10. After January 1, the cost for the service will be \$5 a month, plus a \$5 one-time-fee for new listings.

Create your own unique listing and send us the information plus fee. To be safe, use Friday as a deadline if you're mailing to **What's Happening**, Artists Directory, P.O. Box 259, Eugene, OR 97440. We need the information by Monday noon before our Thursday publication date. Call Lois at 687-9140 or Sonja at 484-0519 for assistance.

The counterculture became the culture.

—Stewart Brand

Our appreciation goes to the 5,843 voters in Oregon House Districts 40 and 44 who supported Laurel Paulson and Laura Stine. We're more than half-way to victory in 1984, folks. And a special thank-you to the more than 300 people who worked on the campaigns in so many ways.

Thanks, friends.
