

Calliope

Remember Calliope? They're those 3 crazy Eugene women (Sue Davis, Gina Leishman, and Connie Doolan) who sing harmonies and zany lyrics to the hits of the 30s and 40s, and who have sung, danced and joked their way into the hearts of many people up and down the west coast. Now, after 9 months of traveling and working by themselves, they've gotten together again. The grand reunion is at Jo Federigo's this weekend (Nov. 11-13) and next (Nov. 18-20) from 9:30-1:30, when they'll be joined by Mark Schneider on bass, and other surprise guests. One word of advice: last time they played at Jo's they were turning them away at the door, so you might want to get there early to insure yourself a table.
