Reader Survey

What Happens when you decide to publish a weekly guide to events and entertainment providing information to thousands of Eugene and Springfield residents? Plenty! Most obvious to us is the weekly deadline, insistent and unyielding. Hundreds of events and happenings laden with details demand conscientious collection, organizing, typesetting, layout and paste-up (to make it sound simple). We have attracted a growing readership and come into contact with hundreds of people who know what's happening and want to pass that information on through us to you. This has brought countless questions, requests, and suggestions. "Will you accept letters to the editor . . . do you have classifieds . . . can you write a preview publicizing our upcoming concert . . . my free ad was not listed . . . why don't you do reviews (movies, dance, theatre, etc.) . . . can I subscribe? Our eternal challenge, it appears, is to continue to provide the desired information to our diverse and growing readership within the all-too-finite limits of our deadline. Policies and processes are required to meet our challenge. Help us, if you would, establish some priorities. Please complete the reader survey below and tell us what you would like to see on the pages of What's Happening.

You will notice that subscriptions does not appear on the survey. That is because we now offer subscriptions by mail—including Holiday Gift Subscriptions. A six-month subscription is only \$11. A full year of knowing What's Happening is \$20. Subscriptions are also available free with tax-exempt donations to our local non-profit corporation, Energy Futures, Inc. See the article on page 3 for details.
