The Computer Store's CLASSES MAKE IT EASY!

The Computer Store makes it easy for people to join the computer revolution. Our Apple computers are the most popular personal systems in the world, and we offer terms on approved credit. Our Warranty Plus program guarantees our customers service and support. And we've scheduled a full slate of classes to help you. Pick what interests you from our list, match it with a date, and call us for reservations.

Introduction to Computers

An overview of the amazing Apple, the many things it can do and plain English explanations of how it does them. Plenty of time for questions. \$10. Staff.

Computers in Business

Chances are that an Apple can help you do business faster, easier and better than ever before. Learn how the owner of a retail business makes it work for him. \$10. Tom Lichty (Larson-Thomas & Co.).

Apple Logo

Logo is a language that elementary school students learn easily. Yet it is so powerful that professional programmers can use it. Becoming "computer literate" is important for you and your children, and Logo makes learning fun. \$20 per family. David Wilkins.

VisiCalc

VisiCalc justifies the investment in a computer all by itself. Learn how to set up your own electronic spread sheet and to play "What If?" \$10. Staff.

Apple Writer

"Word Processing" lets you write letters and reports using your Apple. We'll show you how. \$10 per family. Staff.

Apple III How To

The power of the Apple III is paradoxical: it's so powerful that it's one of the easiest business computers to use. Learn how to make it work for you. \$10. Jim Berry.

THE EVOLVING COUPLE

Ever wonder how to put more love and life into your couple relationship?

This workshop reviews the entire couple process and offers an alternative to the conventional couple—The Evolving Couple. In earlier times, couples were formed for life, but present-day society imposes new pressures on couples—pressures that demand profound changes in how we relate to and support each other.

Feb. 11-12 / Fri. 7-10 pm / Sat 10-6
Valentine's Day Special: \$36/couple, \$20/single
Facilitated by Karimu and Connie
KATH WORKS / An Arica Team / 484-4243

It is not necessary to be in a couple for the workshop.
