If the fear of getting fat makes you sick... you may have Bulimia.

Bulimia is a serious medical problem usually identified by periods of binging on large amounts of food followed by self-induced vomiting and/or the use of laxatives in an effort to keep from gaining weight.

Bulimia can be controlled. If you think you are suffering from Bulimia, or you think someone you love may be, give us a call.

We can help you work toward a natural, healthier attitude about yourself.
