We don't care if you paint your hair
blue, rip the sleeves off your shirt or
pierce your ear.

But don't smoke just to be
like your friends.
Or to be different from your
friends.
Or to be anything at all.
Because with everything we
know about cigarettes today,
there's only one thing you'll
be if you start smoking now.
And that's sorry.
Sorry you can't get up in the
morning without coughing
your lungs out. Sorry you
can't climb a single flight of
stairs without getting wind-

ed. Sorry that every time you
light one up, your risk of
heart disease goes up.
If you're already a smoker,
take some time to stop and
think it all the way through.
Right now, it's your decision.
In the long run, it's your life.

WE'RE FIGHTING FOR
YOUR LIFE
