

# Gibson's

Gibson's is a restaurant/bar recently opened over at 3355 E. Amazon, the same location as the old Paddock, but totally remodeled with new decor from top to bottom—lots of nice plants, mirrors, and a separate restaurant section. The restaurant is open for lunch and dinner, with one of the Friday and Saturday evening specialties being prime rib. The happy hours offer hors d'oeuvres of different nationalities depending on which afternoon you're there.

There's music video, Wednesday and Thursday Ladies Night, and balloon drops every Saturday with prizes in every balloon! Wednesday through Saturday are DJ nights, so bring your dancing shoes. Call 342-3575 for more information.
