Run custom software with your Mac ... Excel ... and Macros from Excel Systems

With Excel and your Mac, you can be speeding through your fiscal and cost accounting on customized software right away ... not next year.

Templates and macros from Excel Systems let you enter, post, track and retrieve your data with just a few key strokes.

And they are tailored to the individual character of your business, so you feel comfortable with them from the start.

Training and Documentation make getting up and running easy.

For a free consultation, call Harry Epstein at Excel Systems (503) 342-4707.
