"Someone described the Cruzados to me as 'a Mexican Tom Petty.' Meaning of course, four men with a passionate blend of guitar-based rock & roll, treading the mainstream waters. They don't smash guitars or indulge in massive feedback bravado or make asinine remarks about women; they actually get on with the business at hand with none of the sordid excesses." —L.A. Weekly. The Cruzados will play Monday, August 24, 9:30 pm, at the Community Center for the Performing Arts.
