**ADULTERY AND ABUSE — ISN'T FAMILY LIFE FALLING
APART UNDER THESE PRESSURES?**

GORDON R. CLARKE, C.S.B. of Milwaukee, Wisconsin is to speak at the Eugene Hilton, October 15th at 8:00 p.m. on "Finding Our Family by Finding Ourselves."

Why is family life so difficult? "It's because we don't know who we are and what we're like," says the lecturer. "We don't need to change families. What we need to do is change our source of information — look to God — to find out who and what we're really like." The Bible is clearly the source of his discussion of family. He is a member of The Christian Science Board of Lectureship.

This public lecture is given FREE to the community by
First Church of Christ, Scientist, Eugene.
Parking and Child care are also free.
