

employes were present during the dinner and assisted in serving the pupils.

In the afternoon there was a game of basketball between our boys and a team from the Mute School, which furnished entertainment for all lovers of the sport. We won the game.

In the evening there was a social and dance in the big gym. Here again joy reigned supreme and Terpsichore was wooed by many adherents of the Muse. At a respectable hour all repaired to their separate quarters feeling that the day had been eventful and full of joy.

At the Employes' Mess a fine dinner was served to the regular patrons and a number of invited guests.

All through the holiday week various features of entertainments were allowed and enjoyed by both pupils and employes. On New Year's Eve there was a dance and later it took the form of a "watch party" and 1912 passed into eternity with the birth of 1913. All sorts of demonstrations were indulged in, such as blowing of whistles, ringing bells, blowing horns, beating triangles, etc. We all knew that 1913 had arrived. The band was out and played, as it had done in the "wee sma' hours" of Christmas morning. So it all ended, as all good things must—but, any way, "Chaistmas comes but once a year."

ATHLETICS

BRIEF SUMMING UP BY MR. SMITH, *Disciplinarian*

The basketball team is well under way for a successful year, although the line-up does not look as strong as that of last year. The absence of Lynch and Powers does not weaken the team; Sellew and Robt. Service are filling these places in fine style. Sellew is playing a very good game at center and with a little more practice and experience he will be in a class with the best centers in the state. Robt. Service, another new man, is playing a fast and steady game at guard. The other members of the team, Clements, Wilcox, Jim and Dunbar are always in the game. With this line-up Chemawa can look forward to a very good season.

We won the first game of the season from the Dallas Academy on our floor on Dec. 6th. The Academy boys played a clean, fast game and are very good at basket-shooting. We off-set this by fast work and careful passing and won out with the score of 18 to 13.

On December 13th we played a return game with the Dallas Academy and defeated them 40 to 15.
