January 3rd Chemawa lost to the strong team from Company "G," Dallas. This team is almost unbeatable; the first half ending 27 to 4. Chemawa came back in the second half full of ginger and determination and displayed some very fast playing and took more pains in throwing baskets. We played the soldier boys off their feet and made 13 to their 4 points, but could not overcome the lead of the first half. This fine showing of the team is due to the efforts and good coaching of Mr. Teabo.
