

THE EIGHTH GRADE

Colors—Blue and Gold.

Motto—Aspire and keep working

Nodezda and Marshallville put their heads together, and presto! there was a party in the gym. on Saturday evening, February thirteenth. From seven-thirty until eleven-thirty the class enjoyed themselves with games and dancing. Then came refreshments pleasing and plentiful. At midnight the stillness of the campus was broken by the happy "good nights" of the eighth grade party homeward bound.

We are very much pleased with the new picture which has just been framed for us. It is one of Farharquer's paintings entitled "Leaving the Hills."

The eighth grade pupils are progressing nicely in their studies and are trying hard to be the most orderly class in school. We hope to continue to do good work until our race is finished.
