

The following splendid write-up of our game with the Pacific University appeared in the Oregonian:

One of the fastest and cleanest basket ball games ever whitnessed here was won by the Chemawa Indians over the Pacific University by a score of 25 to 15 tonight on the Pacific University floor.

The sensational basket shooting of Clement, of Chemawa, who scored six field baskets when his team was behind, contributed largely to the success of the Indians. The Pacific University quintet led at the start of the second half, but were never out in front after Clements got through shooting his six baskets in rapid succession.

The following was the lineup: Chemawa—Clements and Sellow, guards; Wilcox and Jim, forwards; Dunbar, center. Pacific University—Tupper and Abraham, guards; Shaver and Rasmussen, forwards; Burlingham, center.

A. M. Grilly, of Portland, refereed the game.

AFTER THOUGHTS

Rev. A. S. Mulligan of the First M. E. church, Salem, delivered a fine sermon to us in chapel on Sunday evening, March 9th.

Mr. Thos. R. Jones, brother-in-law to Supt. Wadsworth, was a visitor at Chemawa recently. Mr. Jones is a resident of Denver, Colorado.

On Saturday evening, March 8, Mr. 'Thomas' tailor boys and some of the boys of other details joined forces and had what was known as a "Tailors' Party." Dancing was a feature of the evening and as a conclusion of the affair delicious refreshments were served. It was an enjoyable party in every way.

Our projectoscope is now installed in the new auditorium and is ready for use. The machine is for the reproduction of post card pictures, etc. Not long ago at the request of Dr. Buchanan, superintendent of the Tulalip school, Supt. Wadsworth sent a lot of views of Chemawa to the Doctor, who has written that he exhibited the pictures in due season to the appreciation of all. Tulalip has a machine similar to ours.

Mr. and Mrs. Emil Hauser were welcome visitors at Chemawa recently. While here they were the guests of Mr. and Mrs. Smith. Mr. and Mrs. Hauser were married a few weeks ago, at Pendleton, Oregon. Mrs. Hauser was employed for a time at the Pendleton school. She was Dolly Stone, of Wisconsin. Emil, better known in football fame as Wasenka, is well known all over the country. While a student at Carlisle he became one of the best football players the game has ever known. He played tackle for two years and was considered by many of the football experts as one of the best in his position. The last two years in school he played fullback and in this position he was the equal of Graydon, the All-American selection from Harvard. Mr. Hauser will play baseball this year with the Victoria, B. C., team. He is a strong addition to any team, behind the bat. The good wishes of the entire school go with Mr. and Mrs. Hauser through their journey of life.
