

CROWNING THE MAY QUEEN

One of the prettiest of little programs was rendered by the Aurora Literary Society on May 1st—"Crowning the May Queen." It reflected great credit upon Miss White, advisory member, who has shown great interest in directing their literary work during the school year.

The children went "Maying" and got flowers with which to crown their queen, after which they danced around the May-pole, sang, and made merry generally. The scene was changed suddenly by the appearance of a gypsy of the true type, who induced some of the crowd to let her tell their fortunes. She took the part so well that it was hard to believe that she does not exist in reality with all of her peculiar powers. Every girl might be given special mention, as they all preformed their parts exceptionally well.

The Aurora Society was organized last fall and is composed of girls from 12 to 15 years of age. This society has done excellent work during the entire school year. Following is the cast of characters:

FOURTH "A" ITEMS

Mr. and Mrs. Smith have been quite busy of late planting flowers in front of Brewer Hall and they hope to have a number of nice ones.

Mr. Woods, with his force of boys, is now finishing the ice plant. Mr. Carrow is assisting. Mr. Carrow is well known around here as you all know. He has done a great deal of work for the school and we hope he will be with us for some time yet.
