

INDIANS VICTORS BY GRIT

In the curtain-raiser to the Multnomah-Bremerton game yesterday afternoon on Multnomah Field, the Chemawa Indians defeated the Multnomah seconds 6 to 0.

The game had all the earmarks of a no-score match until in the last quarter, when Captain Walker, of the Indians, put the ball down near the Multnomah goal and Russel Adams, another star, bucked straight through the line.

The Indians really had the best of the argument. Coach E. A. Smith had them drilled to a nicety, and time and time again the Multnomah team was outwitted by crossbucks and other plays from the brain of the Indian coach.

It was pure grit which beat Multnomah through. When Multnomah held the Chemawans, it seldom occurred to the Indians that the punt would be the better in the long run. Not them. They bucked, and the majority of the times made first down.

Walker and Adams were the big stars. To them the Multnomah line was as paper. In fact they did all their work on plays straight through.

For the club, Humphries played a good game at quarter. Other stars were: McAllen, fullback; Eivers, half, and McKay on the line. The line-ups were:

WITH PACIFIC NOVEMBER 8

This was a Chemawa day from start to finish. The big team from Pacific College was led into camp to the sweet strain of 91 to 0. Capt. Walker and his men uncorked some new plays. The boys were in
