Watchword

At the Sunday evening assembly, on December 28, Rev. Kennedy gave us a rare treat in the form of a lecture. His message was beautiful, peaceful, and inspiring. "The influence of the Babe of Bethlehem" was the subject of his discourse.

On Christmas Day Rev. Porter, of the Church of Christ, Salem, addressed the Protestant students and employees. This was Rev. Porter's first visit to our school. We were pleased with his address and hope he will give us further opportunity of cultivating his acquaintance.

Father Gall had services for the Catholic students.

Two members of the Y. M. C. A cabinet left school recently and new officers have been chosen in their places. Frank Johnson has been elected president and Harry Busby secretary to succeed Ray White and Dewey Billie respectively.
